

# Guide for creating a Multi-State Resale Certificate with out-of-state State Tax ID

In this example it is shown how to create and upload a Multi-State Resale Certificate with out-of-state State Tax ID for Nevada, Missouri, Michigan, Maine and Colorado.

Due to a technical limitation it is not possible to create an MTC form with out-of-state ID numbers with our Resale Certificate Wizard.

Please download the [empty MTC form](#) - it can be filled out digitally, or it can be printed out and scanned.

Please note that while many states listed on MTC form will accept out-of state registration to be used next to the state initials, some states require that state-specific tax ID is used. If you are not registered in these states, you cannot claim resale exemption for these states. Please see details in the next step.
